

The image shows a close-up of a rocky surface with various shades of brown, tan, and grey. The rocks are layered and have visible cracks and textures. In the upper left and bottom left corners, there are small green plants with thin stems and leaves. The lighting is bright, creating sharp shadows on the rock surfaces. Overlaid on the center of the image is the Japanese title '石と生活度' in a large, stylized, grey font with a white outline. The characters are '石' (stone), 'と' (and), '生' (life), '活' (living), and '度' (degree/extent).

石と生活度
